Explanation of Responses:

1. Due to a technical error in the registrant's electronic filing system that was previously undetected, this amended Form 4 is being filed to report the correct date of grant (November 14, 2024) and the correct number of restricted shares subject to the reporting person's restricted stock award (6,119) for the reporting person's 2024 annual restricted stock award. The correct date and number of shares are consistent with the annual restricted stock awards received by the registrant's other directors in 2024. The shares will vest in three equal annual installments beginning November 14, 2025.
